

National Survey Results

Q1 Are you currently employed, either full-time or part-time?

Full-time..... 78%
Part-time..... 22%
Not currently employed..... 0%

Q2 Does your employer provide any free, confidential support, assistance, or benefits other than health insurance to employees who are interested in improving their physical and emotional health, or not?

Yes..... 52%
No..... 39%
Not sure..... 9%

Q3 How frequently do you utilize the free, confidential support, assistance, or benefits other than health insurance made available by your employer: very frequently, somewhat frequently, moderately, infrequently, or never?

Very frequently..... 19%
Somewhat frequently..... 10%
Moderately..... 14%
Infrequently..... 22%
Never..... 35%
Not sure..... 0%

Q4 If your employer provided free, confidential support, assistance, or benefits other than health insurance to employees, how likely is it that you would utilize this support: would you say it's extremely likely, mildly likely, or not likely?

Extremely likely..... 29%
Mildly likely..... 34%
Not likely..... 35%
Not sure..... 2%

Q5 Does your employer provide any free, confidential support, assistance, or benefits other than health insurance to family members of employees, or not?

Yes..... 37%
No..... 49%
Not sure..... 14%

Q6 How frequently do your family members utilize the free, confidential support, assistance, or benefits other than health insurance made available by your employer: very frequently, somewhat frequently, moderately, infrequently, or never?

Very frequently..... 19%
Somewhat frequently..... 9%
Moderately..... 17%
Infrequently..... 25%
Never..... 31%
Not sure..... 0%

Q7 If your employer provided free, confidential support, assistance, or benefits other than health insurance to family members of employees, how likely would your family member(s) be to utilize this support: would you say it's extremely likely, mildly likely, or not likely?

Extremely likely..... 25%
Mildly likely..... 29%
Not likely..... 45%
Not sure..... 2%

Q8 In the last month, have you heard or read about the opioid epidemic in the United States?

Yes..... 92%
No..... 7%
Not sure..... 1%

Q9 Opioids are a class of drugs that include the illegal drug heroin, synthetic opioids such as fentanyl, and pain relievers available legally by prescription, such as oxycodone (OxyContin®), hydrocodone (Vicodin®), codeine, morphine, and many others. Do you know someone who may currently be abusing opioids?

Yes..... 22%
 No..... 75%
 Not sure..... 3%

Q10 In the last 5 years, has a physician prescribed an opioid for you?

Yes..... 29%
 No..... 64%
 Not sure..... 6%

Q11 At any time during your career have you personally experienced issues with opioid abuse?

Yes..... 8%
 No..... 89%
 Not sure..... 3%

Q12 How serious of a problem do you believe opioid abuse is in American workplaces: do you think it's a very serious problem, a somewhat serious problem, a minor problem or not a problem at all?

Very serious problem..... 40%
 Somewhat serious problem..... 37%
 Minor problem..... 18%
 Not a problem at all..... 4%
 Not sure..... 1%

Q13 How serious of a problem do you believe opioid abuse is among the unemployed in America: do you think it's a very serious problem, a somewhat serious problem, a minor problem or not a problem at all?

Very serious problem..... 54%
 Somewhat serious problem..... 28%
 Minor problem..... 12%
 Not a problem at all..... 3%
 Not sure..... 2%

Q14 Do you personally know a co-worker who you believe is abusing opioids?

Yes..... 12%
 No..... 83%
 Not sure..... 5%

Q15 What do you think is the most common negative consequence of substance abuse, including opioid abuse, in American workplaces: employee absenteeism, employee turnover, lowered productivity, or safety issues?

Employee absenteeism..... 23%
 Employee turnover..... 13%
 Lowered productivity..... 18%
 Safety issues..... 35%
 Not sure..... 11%

Q16 How common do you think opioid abuse is compared to alcohol abuse in American workplaces: do you think opioid abuse is more common than alcohol abuse in American workplaces, less common than alcohol abuse, or do you think they're about the same?

Think opioid abuse is more common than alcohol abuse..... 20%
 Think opioid abuse is less common than alcohol abuse..... 48%
 Think they're about the same..... 28%
 Not sure..... 3%

Q17 In your job, do you manage or supervise one or more employees?

Yes..... 43%
No..... 57%

Q18 In the last 5 years, have you supervised an employee with an opioid abuse problem?

Yes..... 22%
No..... 70%
Not sure..... 7%

Q19 If you are a woman, press 1. If a man, press 2.

Woman..... 42%
Man..... 58%

Q20 If you are Hispanic, press 1. If white, press 2. If African-American, press 3. If other, press 4.

Hispanic / Latino..... 14%
White..... 66%
African-American..... 11%
Other..... 9%

Q21 If you are 18-45 years old, press 1. If 46-65, press 2. If you are older than 65, press 3.

18 to 45..... 37%
46 to 65..... 53%
Older than 65..... 10%

Q22 What kind of industry do you work in: Service industry, retail or wholesale trade, finance, insurance, or real estate, construction or minerals industry, manufacturing business, transportation, communication, or utilities, education, health care, government employee, or other?

Service industry..... 20%
Retail or wholesale trade..... 9%
Finance, insurance, or real estate..... 9%
Construction or minerals industry..... 6%
Manufacturing business..... 10%
Transportation, communication, utilities..... 4%
Education..... 12%
Health care..... 11%
Government employee..... 8%
Other..... 12%

Q23 What is your household's annual income: less than \$25,000 a year, between \$25,000 and \$50,000 a year, between \$50,000 and \$75,000 a year, between \$75,000 and \$100,000 a year, or more than \$100,000 a year?

Less than \$25,000..... 10%
Between \$25,000 - \$50,000..... 19%
Between \$50,000 - \$75,000..... 16%
Between \$75,000 - \$100,000..... 16%
More than \$100,000..... 29%
Don't Care to Say..... 10%
